

**Nokomie Welsh**  
**Wilkes University**  
**College of Pharmacy**

Nokomie Welsh has displayed the ability to work independently, as well as work with others on cooperative projects. She has shown the ability to assimilate new material rapidly and has the ability to use this information correctly in a problem situation.

In her years at Wilkes, Ms. Welsh has given much of herself to worthy causes. She is an active participant in the American Lung Association's Open Airways Program and participates in the School of Pharmacy's outreach effort in poison prevention. Nokomie attended the University of Utah of Alcoholism & Other Drug Dependencies Seminar and has served as an organizational leader in developing a peer-counseling network on the Wilkes campus. Her most outstanding work has been with the free medical clinics in the Wilkes-Barre area. She volunteers many hours each month helping bring pharmaceutical care to these clinics that serve the underserved population.

Nokomie is a leader in the student body. She is active in many student organizations including Kappa Psi, ASHP, and NCPA. She has also served as president of the school's chapter of the Academy of Students of Pharmacy. She has been willing to accept positions of leadership on the regional, state and national level and has performed very well at all levels.

Upon graduation she will be commissioned as an officer in the Air Force.
